Ssspsx pad plugin pressure mod 1.2.0.0 release notes. 9 days ago. Release Notes.. Ssspsx pad plugin pressure mod 1.2.0.0. The popular and the most trusted pad mod for. Ssspsx pad plugin pressure mod 1.2.0.0 is now available. This is the latest version of this popular.2,4-Diamino-5-benzylpyrimidine derivatives as novel PARP-1 inhibitors. A series of substituted 2,4-diamino-5-benzylpyrimidine derivatives were designed, synthesized, and evaluated for their PARP-1 inhibitory activity. The target compounds were shown to possess PARP-1 inhibitory activity with IC50 values in the range of 6.65 to 34.94 μ M. Among these derivatives, compound 16 exhibited the most potent PARP-1 inhibitory activity with an IC50 value of 6.65 μ M, and its ability to inhibit the growth of CNE1 and HNE1 cells was further assessed. It was found that compound 16 inhibited cell proliferation of CNE1 and H
